

Fifth Grade Summer Reading

2022-2023

Welcome in-coming fifth graders! Below you will find your task for summer reading. I hope you find this book as enjoyable as I have!
Happy reading!

All fifth grade students will need to read the novel Escape from Mr. Lemoncello's Library. As you read your novel, you will need to complete the packet attached.

I have also uploaded a copy of this packet in the assignment in your new Google Classroom titled, "Summer Reading".

The packet must be completed **IN CURSIVE** and **IN PENCIL**. We will be working with this book to complete a variety of different activities during that first week of school. Because of this, I recommend reading a hard copy version rather than e-book so you can go back into the book to help you complete the activities.

The packet will be collected on the first day of school.

The students joined this Google Classroom during school, but in case they need to re-join, below is the class code.
